166. LIQUIDATION PREFERENCE

166.1 Notwithstanding anything to the contrary set out in these Articles, but subject to Article 166.8 below, upon the occurrence of a Liquidation Event, after discharging or making provision for any payments as may be required to be made in accordance with applicable Law in relation to insolvency, bankruptcy, winding up and/or dissolution of companies, the remaining available proceeds from such Liquidation Event (the “**Liquidation Proceeds**”), shall be distributed in the following order:

166.2 Each holder of LP Shares (“LP Shareholder”) shall be entitled, on a *pari passu* basis, to receive (with respect to each LP Share held by such LP Shareholder), prior and in preference to any payment or distribution with respect to the Non-LP Shares, an amount which is the higher of (“**Liquidation Entitlement**”):

- (i) the Per Share LP Amount in respect of each LP Share held by such LP Shareholder, along with any arrears of declared and accrued (but unpaid) dividends on such LP Share, calculated to the date of such payment; or
- (ii) an amount from the Liquidation Proceeds *pro rata* to the shareholding in the Company (calculated on an As If Converted Basis, reflected by each LP held by such LP Shareholder, along with any arrears of declared and accrued (but unpaid) dividends on such LP Share, calculated to the date of such payment.

In the event, upon the occurrence of a Liquidation Event, the Liquidation Proceeds are insufficient to make payment of the aggregate Liquidation Entitlement of the LP Shareholders (with respect to the LP Shares) in full, the entire amount of Liquidation Proceeds shall be distributed, on a *pari passu* basis, only between the LP Shareholders, *pro rata* to their respective Liquidation Entitlements.

166.3 Subject to the above, the balance Liquidation Proceeds available for distribution after full payment of the Liquidation Entitlement to the LP Shareholders (with respect to the LP Shares) as above, if any, shall be distributed amongst the holders of Non-LP Shares (including the LP Shareholder but only to the extent of Non-LP Shares held by them, if any) on a *pro rata* basis, calculated on the basis of the total number of Non-LP Shares held by the relevant Shareholders, on an As If Converted Basis.

166.4 It is clarified that if a Liquidation Event is effected by way of sale of Shares, the distribution under this Article 166 shall be completed towards such Shareholders who are participating in such transaction, in proportion to the Shares that are being transferred by each such Shareholder as part of such transaction, in accordance with their respective entitlement as set out in this Article 166 (in accordance with their respective Actual LP Entitlement), and nothing in this

Article 166 (*Liquidation Preference*) and the definition of ‘Liquidation Event’ shall be deemed to entitle any Shareholder a right to participate in such transaction or to a tag along right in such transaction, unless such right is expressly provided for and exercised in accordance with these Articles.

166.5 The Company and the Key Promoters shall:

- (i) fully co-operate with the LP Shareholders in making the payment of the Actual LP Entitlement in the order and manner provided above; and
- (ii) make best-efforts to obtain any regulatory approvals and consents in a timely manner such that the Actual LP Entitlement can be distributed to the LP Shareholders as envisaged under these Articles.

166.6 The Company and/or the Key Promoters shall not:

- (i) undertake any Liquidation Event unless the terms of this Article 166 (*Liquidation Preference*) have been complied with in full; and/or
- (ii) raise a contention that the liquidation preference granted to any of the LP Shareholders is illegal and unenforceable.

166.7 Notwithstanding anything contained herein but subject to Article 166.8 below, the Company and the Key Promoters shall, in distributing the Liquidation Proceeds, honour the liquidation preference of each LP Shareholder, and facilitate the realisation of the entitlement from the Liquidation Proceeds under Article 166.2 (the “**Actual LP Entitlement**”), including (without limitation) through:

- (i) the re-distribution of assets or proceeds received / to be received by the Key Promoters;
- (ii) issuance and allotment of incremental Securities to the LP Shareholders through (at the option of each LP Shareholder): (a) an issue of additional Securities to such LP Shareholder at the lowest price permissible under applicable Law; (b) the Transfer of Securities held by the Key Promoters to such LP Shareholders at the lowest price permissible under applicable Law; (c) a buy-back of Securities held by the Key Promoters;
- (iii) a reduction of the sale proceeds receivable by the Key Promoters; and
- (iv) such other measures as may be necessary and permissible under applicable Law.

It is clarified that the rights under this Article 166.7 may be exercised in a manner such that it does not result in any increase in the Actual LP Entitlement in relation to the relevant LP Shares.

166.8 It is clarified that if the consideration for a Liquidation Event is not by way of cash consideration, then the provisions of this Article 166 (*Liquidation Preference*) shall be given effect to by way of the same consideration as is received for the Liquidation Event and the Shareholders shall not be entitled to receive any cash consideration. Where the consideration is received in more than one type of property / assets, each Shareholder shall receive the same proportion of each of such property / assets comprising the non-cash consideration (to the extent of their entitlement of the Liquidation Proceeds), unless otherwise determined by the Investor Majority. It is further clarified that the cash consideration and the non-cash consideration for a Liquidation Event shall be distributed in a manner such that the Shareholders receive their entitlement of the Liquidation Proceeds in the manner set out in this Article 166 (*Liquidation Preference*).

166.9 If the terms of a Liquidation Event do not call for the immediate distribution of proceeds of the transaction to the Shareholders, the Company shall immediately upon completion of such Liquidation Event, take such steps, including the declaration of a dividend or distribution, so as to ensure that the proceeds of such Liquidation Event are distributed as soon as possible to the Shareholders in such manner to ensure that the Shareholders receive their entitlement of the Liquidation Proceeds in the manner set out in this Article 166 (*Liquidation Preference*).

166.10 An illustration of the distribution of Liquidation Proceeds is set out in **Schedule 13** of the Shareholders' Agreement.
