In case of the wrong certification by the borrowers, the NBFC shall consider initiating appropriate legal proceedings, including criminal proceedings wherever necessary, against the borrowers.

- (iii) In cases of project financing, a NBFC should ensure end use of funds by, *inter alia*, obtaining certification from the Chartered Accountants for the purpose. The NBFC must, however, not just depend on the certificates issued by the Chartered Accountants but also strengthen their credit risk management system and internal controls to enhance the quality of their loan portfolio. Further, in all cases, especially in the case of short-term corporate / clean loans, such an approach must be supplemented by 'due diligence' on the part of the NBFC itself, and to the extent possible, such loans must be limited only to those borrowers whose integrity and reliability are above board.

20. Role of Statutory Auditors

- (1) In case any falsification of accounts on the part of the borrowers is observed by the lender, and the auditors are found to be negligent or deficient in conducting the audit, the lender shall consider lodging a formal complaint against the statutory auditors of the borrowers with the National Financial Reporting Authority (NFRA) / Institute of Chartered Accountants of India (ICAI) to enable them to examine and fix accountability of the auditor.
- (2) Pending disciplinary action by NFRA / ICAI, the complaints shall be forwarded to the Reserve Bank (Department of Supervision, Central Office) and Indian Banks' Association (IBA). Before reporting to the Reserve Bank and IBA, lenders shall satisfy themselves of the involvement of concerned auditors and also provide them with an opportunity of being heard. In this regard, the lenders should follow normal procedures and processes, which shall be suitably recorded.
- (3) Based on such information received from lenders, IBA shall, in turn, prepare a caution list of such auditors for circulation among the lenders, who shall consider this aspect before assigning any work to them.
- (4) With a view to monitoring the end-use of funds, if the lender desires a specific certification from the borrowers' auditors regarding diversion / siphoning of funds by the borrowers, the lender should award a separate mandate to the auditors for the purpose. To facilitate such certification by the auditors, the lenders shall ensure that appropriate covenants in the loan agreements are incorporated to enable the award of such a mandate by the lenders to the auditor.

(5) In addition to the above and with a view to preventing diversion / siphoning of funds by the borrowers, the lenders are free to engage their own auditors for such specific certification without relying on certification given by borrowers' auditor.

(6) Depending upon the nature of the borrowers' acts underlying the wilful default and the quality of evidence available with the lenders in the normal course, the lender shall consider commissioning a forensic audit of the affairs of the borrowers and their books of accounts, in respect of accounts with an outstanding above a threshold fixed by the board approved policy of the lender.

21. Role of third parties

(1) As prescribed in the [Reserve Bank of India \(Fraud Risk Management in NBFCs\) Directions, 2024](#) (as updated from time to time), in case of wilful defaults also there should be some accountability for the third parties engaged by the lender, if they have played a vital role in credit sanction / disbursement and are found negligent or deficient in their work or have facilitated the wilful default by the borrower.

(2) The lender shall forward the details of these third parties to the Indian Banks' Association (IBA) for records, regardless of the membership status of the lender with the IBA. Based on such information, IBA shall, in turn, prepare caution lists of such third parties and circulate to all the regulated entities of Reserve Bank who shall consider this aspect before assigning any work to them.

(3) Before reporting to IBA, lenders shall satisfy itself of the involvement of concerned third parties and also provide them with an opportunity of being heard. In this regard, the lenders shall follow due process, which shall be suitably recorded.
